Pursuant to 35 ILCS 200/10-115, the Farm Land assessments for the 2023 assessment year will increase by 10% of the preceding year's median cropped soil productivity index as certified by the Illinois Department of Revenue with data provided by the Farmland Assessment Technical Advisory Board resulting in a \$42.61 per acre increase for each soil productivity index.

Property in this County, other than farmland and coal, is to be assessed at a 33.33% median level of assessment, based on the fair cash value of the property. You may check the accuracy of your assessment by dividing your assessment by the median level of assessment. The resulting value should equal the estimated fair cash value of your property. If the resulting value is greater than the estimated fair cash value of your property, you may be over-assessed. If the resulting value is less than the fair cash value of your property, you may be under-assessed. You may appeal your assessment to the Fulton County Board of Review.

If you believe your property's fair cash value is incorrect or that the equalized assessed valuation is not uniform with other comparable properties in the same neighborhood, the following steps should be taken:

1. Contact the Fulton County Assessment Office or your Township Assessor's Office to review the assessment.
2. If not satisfied with the assessor review, taxpayers may file a complaint with the Fulton County Board of Review. For complaint forms, instructions, and the Rules and Procedures of the Board of Review, please call (309) 547-3041 or visit www.FultonCountyIL.gov for more information.
3. The final filing deadline for your Township is 30 days from this publication date. The final filing deadline for 2023 assessment complaints is **February 2nd, 2024**. **After this date, the Board of Review is prohibited by law from accepting assessment complaints for the 2023 assessment year.** For more information on complaint deadlines, call (309) 547-3041.

As provided for in 35 ILCS 200/15-165, 35 ILCS 200/15-175 and 35 ILCS 200/15-180, your property may be eligible for homestead exemptions, which can reduce your property's taxable assessment. For more information on exemptions, call (309) 547-3041 or visit www.FultonCountyIL.gov.

Your property tax bill will be calculated as follows:

$$\begin{aligned} \text{Final Equalized Assessed Value} - \text{Exemptions} &= \text{Taxable Assessment} \\ \text{Taxable Assessment} \times \text{Current Tax Rate} &= \text{Total Tax Bill} \end{aligned}$$

All equalized assessed valuations are subject to further equalization and revision by the Fulton County Board of Review, as well as equalization by the Illinois Department of Revenue.

The following Townships have their General Assessment Year for 2023:
Lewistown, Vermont, Astoria, Woodland, Pleasant, Isabel, Waterford and Kerton.
